

# Mill Operator 4

## Who We Are:

Impala Canada is the only Canadian primary palladium producer. Located in Northern Ontario, Lac des Iles Mine (LDI) features a world class orebody consisting of an open pit and one of the largest underground mines in Canada. Mine operations are data driven, supported by the latest in mine technology and equipment, real time mine management, and automation. At LDI we employ over 700 of Canada's best and brightest in their field. Driven to exceed, our people are motivated by a culture of safety in a positive and collaborative work environment. With a modern infrastructure, significant exploration portfolio, and dedicated employees Impala Canada is a well-positioned, low cost, long term, sustainable palladium producer.

## Job Description:

Familiarity with and the ability to learn and operate crushing circuits.  
Knowledgeable about the Ministry of Labour and Occupational Health and Safety Act and regulations, as they pertain to the operation of crushing and milling facilities.

## Qualifications:

Entry level position.  
Verbal and written proficiency of the English language.  
A self starter who performs duties in a safe and productive manner.

## What's in it for You:

The position offers a competitive remuneration package. Accommodations and meals are provided while at the mine site. On your off duty time enjoy various outdoor and indoor extracurricular activities.

Please note, that all job offers are conditional upon successful completion of a pre-employment medical which includes drug and alcohol testing. Proof of being fully vaccinated for Covid-19 will be required as a condition of employment for new hires.

We thank all applicants for their interest; however, only those selected for an interview will be contacted.
